## Never Say Never

Circular Keys Chorus are thrilled to announce the release of our new CD "Never Say Never". This recording is the celebration of our journey last year to Nashville and our first time on the International stage. Upon our return we decided to capture our enthusiasm and talent in a recording that represents our shared experiences and love of music.

The CD is now on sale via the chorus website and it is sure to delight you - we are very proud of the finished product and can't wait for you to hear it too! Many chorus members are buying multiple copies to send abroad as Christmas presents so make sure you get your copy soon.

## Galston Eisteddfod

The chorus will be competing in the upcoming Eisteddfod, to be held this Friday 22<sup>nd</sup> October at the Galston Uniting Church, 11 School Rd, Galston. We'll be dressed in our finery to compete, and would love your support. The evening's competition commences sharp at 7.00 pm with the chorus performing in the first category.

## International Convention Seattle

This year's Convention is to be webcast at the following link: [www.sweetadelineintl.org/webcast.cfm](http://www.sweetadelineintl.org/webcast.cfm)

Several of our chorus members have been rehearsing with Endeavour for the past year and will be singing with them onstage in this wonderful culmination of women's barbershop competition.
