

Circular Keys Chorus Membership Report

As at 24th April 2013.

As another year comes to an end we look back at memorable 'happenings' in the life of C.K.C.

Those of us that were fortunate to travel to Denver in October for the Sweet Adelines Convention 2012, had a fabulous time, singing, shopping, rehearsing, meeting other women of like mind, and best of all getting to know each other just that little bit more. So many happy memories to share and reflect back on. Also our thoughts were always with those members that were unable to be with us at that time – but continued to give us tremendous support, before, during and after.

C.K.C. also attended our annual Convention at Canberra in May 2012 - for assessment only. Again another valuable time in chorus life.

We held our latest Membership Workshop in March 2013 where we had 16 ladies come along of which three are still attending, hopefully to become full members.

Christmas was another wonderful 'singing' experience for us as we were invited to sing in the City streets over two evenings covering six hours and had excellent exposure.

Last December we were again invited to attend the two dinners for The Royal Sydney Yacht Squadron. These two evenings are always met with enthusiasm by all members and the diners also appreciate all that we present.

C.K.C. also put on a fabulous show at The Concourse at Chatswood – again attendance was at a maximum and a great night was had by all.
