

Performance Coordinator's Report for 2013 AGM

Following our return from Denver, chorus members enthusiastically supported our four December 2012 carolling performances; two for the City of Sydney centred around Pitt St Mall, and another two for The Royal Sydney Yacht Squadron in Kirribilli.

The Bunnings Megastore opening in Castle Hill was another opportunity to raise our profile, for which thanks to Ann Keating. The chorus received a BBQ in lieu of payment which will be raffled in a future fundraising effort.

Your continued support in Performance events is greatly appreciated.
