Secret Chorus Business

We are in the Pacific
Room and risers
must come down

*We are creative musicians who inspire
with heart, soul and musical excellence.*

***WOW! What an awesome weekend!
Here are some wonderful Mo-ments:***

*Flexible people don't get bent out of shape
Take one for the team
When she (Vicki) does less; it makes you want to do more
Do what you fear; watch it disappear
I am standing on the shoulders of someone who went before me
Break it down: simplicity beyond the complexity
Fight for your height
If it's not part of the problem; make it part of the solution
We are volunteers in a professional organisation
Keep it above the turtle
Make it happen: participate in your own solution
Sense of self, belief, generosity, belonging
Drive it like you stole it*

***Thank you Mo for coming all this way.
You have shown us new opportunities, pushed
us to new heights, made us believe and
renewed our sense of self.
We have loved your teaching and sharing the
fun and laughter.***

.....one more night!
