Secret Chorus Business

We are in the Pacific Room and risers need to come down.

We are creative musicians who inspire with heart, soul and musical excellence.

Committees

Thank you to all who were able to sign on to a committee.

(It's also OK if you are not able to right now)

This week we will have another short opportunity to become organised in those groups even perhaps choosing meetings times and places.

Your support, enthusiasm and action are very much appreciated.

"Voices@live"

Our performance at this wonderful concert is now only 12 days away!

We are nearly ready but have you indicated you will be there?

We need you all!

Please check your availability on the website and change it to

"WILL ATTEND".

That way Vicki will know how many she will have on the risers and what sort of fabulous sound we will make.

Keeping in touch

Have you been able to access the CKC website this week?

Have you checked your emails?

How about the choreo videos on YouTube?

Regularly checking these sites helps you keep up to date with the how, when, why and what of chorus life. Keeping up to date ensures we are all on the same page at rehearsal, all those dates are in the diary and

we are ready!
