RECENT HAPPENINGS!

November has been a very exciting and gratifying month for **CKC** – with our very successful Show (2 full houses and better than *breaking event*) followed by an unexpectedly prestigious performance, thanks to Larry & Audrey Stellar, at a Hunters Hill waterfront mansion for the **Prime Minister**, with Mrs Howard and influential colleagues and friends. Where to from here?! Christmas carols! (Ed.)

WITH THANKS...

Everyone involved in staging *'The Secret's Out'* will know we have the most extraordinary group of friends and supporters, who came from everywhere to help. What did they do you ask? Consider the following.....

James Dwyer's Webmaster magic in promoting the chorus and the Show, filming and photographing dress rehearsals, printing and assembling programs and cards, acting on stage, backstage voice over duties, collecting, erecting and dismantling risers, greeting actors, liaising with theatre staff, applying stage makeup to male actors, checking chorus makeup, providing lunch for actors, manning the curtain, coordinating front of house volunteers, distributing programs and chorus cards, providing chorus with CMRI Christmas catalogues, placing reserved signs on seats for disabled patrons and video operators, manning the CKC PR table, accompanying CMRI guests, videotaping

and preparing copies for the chorus, photography of the performance from audience and backstage and just turning up to create two appreciative and involved audiences. We needed you all.

Thank you, each one of you from all the overjoyed and overwhelmed members of CKC. Fridge magnets sometimes carry great wisdom. Mine says *'Alone we can do so little, together we can do so much'*. RC

SOME NOTEWORTHY NAMES:

Glenn T, Larry Stellar, Neil Mansell, Chris Blair, Clair New, Andrew Chantrey, David Huxtable, Adam Andeve, Adam Shipway, Robert Andrews & Robert Scarfe.

NOT FORGETTING BACK OF HOUSE HELPERS:

Josie McNeilly, Joan Chamberlain and Brian Godwin.

Also heartfelt thanks to James Dwyer, Max Ward, Jeremy, Tim & John Godwin, Ray Finch, Lena Henson, Sharon Wearne, Rebecca New, Tori Huxtable, Cariola family, Mary Beth Longmore, Priscilla & Mike Colgan, Emily & Amanda White, Laura Miles, Judy Ernst, Liz Brawn, & all the CKC helpers!

Bouquets to you all!

What is Glyndebourne?!

If you're wondering what's in store for you at our **Glyndebourne night** on November 29th, don't worry – you'll have a wonderful night! The theory is simple – you pay an entry fee, BYO friends / food / drink / table decorations etc **AND** get to entertain yourself as well! How good is that?

For more info, or to book your tables please ring Ros Lumsdaine on 96242791.

GALSTON & DISTRICT GARDEN SHOW

On Saturday 18th and Sunday 19th October the Club ran its annual open garden scheme and this year guess whose glorious garden was again on show – yes – none other than Tenor **Jan Black's**. Not content with merely rebuilding after the dreadful fires of last year, she restored her garden in time to see two of her children married in it this year, and as well as inviting hundreds of grateful garden buffs through this special weekend.

Countless visitors admired the irises, mature trees, & her roses, which had the decency to start flowering (although they'll be fantastic in about 2 weeks' time!). All experienced the tranquillity it offers, some picnicking in the shade and others eating lunch in the grand marquee, still erect from the recent wedding of her son!

Daughter Caroline's wedding January!

Almost 12 months ago this is what their **Arrunga** nursery looked like after the devastating fires, & now:

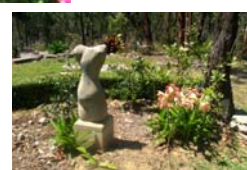

The main shed:

And the propagating shed:

Jan's wonderful irises & her lovely lady sculpture!
