We are in the Pacific
Room and risers
need to come down.

*We are creative musicians who inspire
with heart, soul and musical excellence.*

MEMBER NEWS

**Following on from our discussions, this week we will build our
goals and plans for the 2014-2015 year.**

If you have time prior to rehearsal please review last year's goals and plans
found in 'documents'; constitution (standing rules, goals and agreements'); select same x2; CKC
vision, mission, strategic plan; CKC plan 2013-14 with workshop outcomes.

***We have the expertise and passion to make this a great working
document.***

Committees

This week there will be an opportunity to nominate yourself for working on one
or other committees. Our committees make up the other parts of the machine
that make us tick so well (the wonderful music team being the engine room).

Consider how you can help the team in this way.

If you would like to chair one of the committees place a "tick" beside your
name.

Membership drive. Coming soon!

**We are an open welcoming chorus, always excited to welcome
new members.**

**A vital part of our plan as discussed last week is attracting and
retaining new members.**

**Watch this space for our coming membership drive and how
we can help during this event.**

**Do you have an idea about promoting and/or managing this
event? Please let us know.**

Do you have news/special events/personal moments to be recognised?

Please advise Liz or Alison so that we may acknowledge this time in yours or a friends life in a personal way because we care about each other.
