

SECRET CHORUS BUSINESS FOR WEDNESDAY 17th August 2011

*We are creative musicians who inspire
with heart, soul and musical excellence.*

REHEARSAL

This week's rehearsal is in the Pacifica Room and the risers have to come down as the room is being used on the weekend.

MEMBER NEWS

Girls, please ensure that you tick your name off in the right space (appropriate date) when you arrive at St. Joseph's. There have been several mix-ups between what has been recorded on the website and what appears on the sheet at the front desk of St. Joseph's.

An update on the voting for the Canberra Convention is 52 yes votes, 15 no votes and 9 members I have not heard from to date. As Vicki said last Wednesday, it is up to all of us to register on the new website. Vicki needs to know if there is a balance in voices parts before a final decision can be made, so please make your intentions known ASAP.

Calling for two or more people to set up and put away the mike system. At the moment there are no designated people doing that job. If more people volunteer then a roster can be drawn up for setting up and putting away so that it is not too burdensome.

Girls, we are in need of all sized jars and 300-500ml bottles as girls are now making herbed vinegar and pickled olives. Would anyone like to make chutneys and relishes? Fund raising is making all manner of jams and marmalades to sell at the Crestwood Fair and at our Fashion Parade/Spring Fair

To make the taste testing a viable proposition Cathy Bartley needs another 26 people to sign up. This is an excellent opportunity to make easy money without having to dress up or put on our false eyelashes.

Continue rehearsing **"It's beginning to look like Christmas"** and try to be off paper for next Wednesday. Also revise **"Fa, la, la"**

Please refer to performance calendar for two new dates for singouts at the Royal Sydney Yacht Squadron

DENVER 2012

With the launch of our new website you have to record your availability for all the coaching sessions, retreats and singouts again as none of that information was transferred from the old site.
