Secret Chorus Business

WEDNESDAY 24th July, 2013

MEMBER NEWS

Early choreo rehearsals are starting this Wednesday. As Heather has pointed out, we are going to be really short of time for choreo rehearsals once the Harmony Workshop starts. In September is the proposed concert and we want to put on our best performance.

I congratulate all the girls involved in the Membership Drive. You are doing a wonderful job. Thanks particularly to Kate, Judith and Steph who have been instrumental in promoting the Harmony Workshop, and to Judith, Yasi and Alison for the logistics. Kate has lined up a promotion of our workshop on ABC 702 with Linda Mottram on Friday 2nd August. As it is only for limited numbers, let her know ASAP so that she can finalise the numbers.

A \$60/person reservation fee has been paid by the chorus for our accommodation at the Sydney convention. Could you please pay Cathy this amount ASAP as chorus finances are a little stretched until this money comes in.

Just thought you'd like to know ...

Kate and I attended a planning meeting at the Olympic Park Convention Centre for the Sydney Convention. As you know Kate is the Regional Events Coordinator. There were very enthusiastic representatives from 5 Sydney based choruses who will participate in helping to run the event. Know that conventions are no longer run by just one chorus so, as a large chorus, we will be expected to participate in its running in a fairly major way. We had an opportunity to look around the Sports Centre where the competition is going to take place, and it is similar to what the Nashville facility was like though slightly smaller. It is going to be a wonderful convention with lots of different and exciting activities as it will be our region's 25th anniversary. Read your Convention Bulletins carefully to stay informed.

Coaching with Darlene Rogers will be here soon. She is a voice expert and will be coaching us in a totally different way.
