

SECRET CHORUS BUSINESS FOR WEDNESDAY 29th February, 2012

We are creative musicians who inspire with heart, soul and musical excellence.

MEMBER NEWS

We are in the Pacifica Room and the risers have to come down on Wednesday and all of next month.

For new members who have not attended a National or International Convention previously, please be aware that one of the chorus requirements is that you attend every coaching session, particularly in the last 6-8 weeks before the competition as important changes can be made at that time. If you do not attend then you put your performance readiness in jeopardy and you risk not being able to participate on stage in the competition.

If you are intending to take leave from chorus, please ensure that it is after the Convention, not before it. **REMEMBER ; THIS IS A TEAM EFFORT REQUIRING OUR FULL ATTENTION AND PARTICIATION.**

For those intending to take holidays after the Convention please make your intentions known to the Management Team about the length of your absence. Address your email the Management Team as we all have to approve your leave-of-absence.

We have a message from Sandi Cleary of Westcoast Harmony Chorus in Surry, Canada. She visited us last year and loved that visit. She is looking forward to seeing us in Denver. Westcoast is number 5 in the Harmony Classic on the Tuesday of the contest week.

There has been an amendment to our coaching dates with Lynne Smith in March. Chorus is no longer required to be present on the Friday 23rd.
