## **MEMBER NEWS**

### **Rehearsal this week.**

Last week Vicki told us that the plan for the Wednesday rehearsal will be up on the CKC website every week so that everyone will know exactly what is happening.

Please make sure that you check this on a weekly basis.

This week's rehearsal will be in a different format. We will have a Denver debrief, then a review of chorus etiquette (protocols), followed by Section rehearsals etc. on the new songs.

Please arrive promptly as we will have lots to get through.

### **Just thought you would like to know...**

Your Music Team and your Management Team are working very hard to make this an enjoyable and productive year.

There is a proposal (not yet set in concrete but very probable) that we will have Darlene Rogers coach us the 1<sup>st</sup> weekend of August.

Also, there will probably be a coaching weekend in June. This is to avoid any clashes with school holidays. This early notification is so that you are aware and can plan. Again, this is not definite.

Planning for our New Membership Drive is afoot also. This will be on the 17<sup>th</sup> March at St Joseph's. Be prepared to participate in promoting this drive as we need to entice quality singers.

### **6<sup>th</sup> February**

Rehearsal this date will also be different. Part of the time will be spent on planning for the future of our chorus for 2013-2014. I will be sending you out some really important information about this planning session. We will be reviewing our goals and aspirations, what these were in 2011-2012, did we meet these and if not, where we fell short.

I would also like to direct your attention to the Chorus and Director Agreements that are on our website in the Documents section. There you will also find our vision and mission statements. Please read these carefully as each member needs to know what our rights and responsibilities are towards the chorus, and what we are aspiring to achieve.
