### MEMBER NEWS

This is a SCB from a retired TC who is just lending a helping hand to Alison for the next few days as she is extremely busy.

There are some members who still have not handed in risers on “Skyfall”. Remember our rule : if you have not passed your riser then you will not be able to sing on the Showcase if we succeed. This would be a huge shame.

Our dress rehearsal last Sunday showed everyone where our strengths and weaknesses are. As Alison said, it all has to do with PR (**personal responsibility**). It is imperative that everyone is superbly organised for the Convention. Di has produced a very comprehensive booklet, which answers all the questions you might have. Print out your own copy and take it with you. You should also have a printout of the last Convention Bulletin. For those girls who are going to Convention for the first time, it would be a very good idea for you to buddy up with someone who knows the ropes, and who can help you to be more relaxed about the day.

In the Convention booklet Di has included lists of everything you will need and might want. Don't leave it till Wednesday or Thursday to collect everything and pack your bag. This should be done well in advance. Please don't rely on someone else to have the things you may have forgotten to pack. This is particularly important for your costume and make-up. If you are still missing something, tomorrow is the time to sort it out.

The bright lights that were used on Sunday to check our make-up showed that we are still not putting enough on, so pile it on even if it seems absurd. If it is too much, then the make-up checkers will tell you. Some girls are quite slow in putting on make-up. If you are one, then please start putting it on early so that you are not running late and inconveniencing everyone else on the day. Remember, Steph and Doris (the lash ladies) and Elizabeth (the hair magician) also have to get ready. If you require their help then let them know in advance and book a spot.

Early choreo again this week.
