

CIRCULAR KEYS CHORUS  
MANAGEMENT TEAM MEETING  
THURSDAY, 10 NOVEMBER 2016  
MEMBERSHIP REPORT

Attendance at rehearsals since our last meeting has averaged 38 members, which is fairly low but can be put down primarily to several members taking extended holidays.

Catherine Burton has opted to postpone her audition process for the interim and is going to have some vocal instruction with Vicki. Laura Burton is continuing with the second stage of her audition process.

We had an enquiry via the website from a lady who has recently moved into the area. I contacted her and she planned coming to chorus to pay us a visit but then had to cancel. I have been in touch with her since then but to date haven't received a reply.

As my number is on the website I have had two performance enquiries in Kate's absence; the first was regarding the "Aznavour Project", the details of which I have forwarded to you. I did email him the terms under which we were happy to participate but have not had any response. The second was for the Galston Senior's Dinner on 6<sup>th</sup> December. We are charging \$300 and I will give all details to Kate.

We still have a problem with some members not using the website to mark their attendance plan for both rehearsal and performances, despite repeated requests plus, despite Deborah's new email address for absence, some members still aren't notifying me if they are going to be absent at short notice.
