

Secret Chorus Business

Integrity – Commitment – Fun

Dare to be Different

Thank You

Everyone has been so fantastic in making all our lovely ladies who have joined us for 8 weeks feel so welcome. At the moment we have an additional 32 people joining us at rehearsal!!!

With so many people this means there are currently no set riser positions when we are all together for vocal production and new song work.

At the start of vocal production (warmups) we would like CKC members to quickly move and find a spot anywhere on the risers. Rather than trying to move to where you are used to, we challenge you to test out standing in different areas of the risers each week. Maybe stand near a new lady who sings your part.

Again thank you for making this such an amazing start to our workshop.
