MEMBER PROFILE – CANDACE LEE DELLAR

Part you sing: Lead

When did you join CKC? I joined/auditioned for CKC after completing the 8 week 'Learn to Sing A Capella' course in April 2019 aimed to recruit new members.

Brief personal history: Born on 8th December 1995. Attended Norwest Christian College until 2006. Changed schools to Quakers Hill East Public School and graduated in 2008. Attended Baulkham Hills High School and graduated in 2014. I have completed both Certificate II and III in Business Administration. I am currently working in Childcare (OOSHC) at Northwest Community Childcare and are studying to complete Certificate IV in School Education and Care.

Brief music history: I have been singing since I could remember. I have trained in singing with Hillsong Performing Arts Academy for many years and have had vocal lessons with Stacey Jane Holt. In 2016 I was invited to take up the role of Stevie Nicks in a Fleetwood Mac Tribute band called 'The Australian Fleetwood Mac Experience' until July 2019. I have played Pubs and Clubs up and down the coast and various venues such as The Basement in Sydney.

How did you find out about CKC? My mother found an ad in the paper for a 'Learn to Sing A Capella' course that was being run by some chorus. At first I was not all that interested but then decided to give it a go. I loved it and haven't looked back since!

Chorus Roles you've had over the years: I am part of both the Social Team and the Creative Team to put together ideas for chorus gatherings and annual CKC Show

Favourite Song (from repertoire) Rolling in The Deep

Some funny moments: One would have to be my first weekend retreat when we were put into groups and given materials to create a costume/dress and my team just went absolutely nuts with creativity and began dressing. I've since been referred to as 'Candylicious' (thanks to Cheryl B)

Best time/worst time/embarrassing time (either/or): The best time would have to be my first CKC show which was at Hornsby RSL in August 2019. I was so nervous but once I was up there it was amazing! I cried a lot after coming off stage.

What CKC/Sweet Adelines has done for you: CKC has given me a chance to make new friends and be connected to people. Doesn't matter if they are older or younger. It has also given me the chance to do things that I have never done before, like travelling to places I hadn't been to before and performing at different events etc.

How are you planning to use this 'off' time?: I have been working as my job is essential and studying. I have been knitting while watching way too much Doctor Who (where has that show been all my life?). I am currently working on my own A Capella covers and plan on putting videos together and putting them up on Facebook when they are all finished.

Your message to the chorus: Just have fun! Don't put necessary stress on yourself, feel pressured or embarrassed to make mistakes. That's all part of learning! Don't push yourself or be scared to ask for help when you need it. We are all here for each other. Also keep your friends close to you.
