## A **WOW!** weekend with Dale

### **How hard was that?**

We were pushed and pulled, moved to tears, doubled with laughter, exhausted yet exhilarated, tried and tested yet continued to rise for more!

And that was just us!

We watched as Vicki, led by Dale went through the same for us. All the while leading, bending, repeating, listening, questioning but never doubting, visibly sure we were going to win this over. How lucky are we to have had this weekend of trust and confidence and know at the end we have achieved great things.

**Thank you Vicki and Dale for taking us there, believing in us and showing us how our 'Fortune of Dreams' will be there in whatever way we want to shape it. It is up to us now.**

During the weekend many people helped make it such a success and ensure all ran so smoothly.

A **HUGE** thank you to:

- **Deborah** for all you did with the Audio equipment and in anticipation of any videos which may assist our learning.
- **Inese and Cathy**, for coordinating all the wonderful food for morning teas and especially for Vicki and Dale. Also, for all the hard work in setting up and packing away. Thanks to everyone who contributed all the yummy food and for your assistance.
- **Jo Rogerson**, who took on the job of Emcee with her usual flair, and for all who participated in the party. It was a great way to unwind after a hard day.
- **Liz Perry-Windhorst**, for her hospitality to Dale.
- **Heather and Cathy** for your fun music and warm-ups.
- **Heather Finch** who is waiting with great anticipation for your photos.
- **Liz van Miltenburg** for bringing those wonderful albums to remind us of our history.

### **To the whole TEAM!**

For all you contributed in so many ways to make this a very special weekend.
