**Circular Keys Chorus are creative musicians who inspire with heart, soul and musical excellence.
We dare to be different!**

It is time to renew the Music Director's contract.

Each June Management Team reviews the terms of the Director's contract following consultation and advice from Members. The members then vote to continue the Director's contract.

(See Groupanizer/documents/constitution by-laws and also agreements. It is attached to the end of the 2013-2014 contract letter of agreement)

It is anticipated that CKC Members will vote at rehearsal next week. Please contact the TC as soon as possible if you have any comments, advice or changes you would like discussed. This will then be done at the management Team meeting this Thursday June 18.

Please read the documents

1. Chorus's letter to Musical Director
2. Director's letter to Chapter
3. Director/chorus agreement

Groupanizer: Documents; CKC Constitution

SECTION V. CHORUS DIRECTOR

- A. Duties, responsibilities and entitlements of the Chorus Director are set out in the Chorus Director's Contract. Specific terms and provisions for the relationship between the Chorus Director and the Chorus shall be defined in a written agreement, which shall be available via the chorus website for perusal by the membership.
- B. The Chorus Director's contract is renewed annually prior to 1st July by a 2/3 affirmative vote of the Chorus membership.

Standing committees

The management Team will confirm the appointment of all Chairs of Standing Committees.

Please advise the Secretary or TC of any changes to the Standing Committees by Thursday, June 18.

Wollongong May 2015

ACCOMMODATION:

Many thanks to Diane Jenkins for preparing the spread sheet with the various types of accommodation for members to indicate what type of room they would like and who (if anyone) they would like to share with.

Please take advantage of this preliminary indication of accommodation requirements. CKC has booked and paid a deposit on these rooms to ensure we are all in the same place next year. Members will be asked to re-pay to CKC the cost of the deposit for the room they want. It is OK if you are not sure yet and cannot commit but a preliminary indication would be appreciated.

The rooms we do not use will later be put out for other chorus's to buy/use. We must all be on site in Wollongong by Friday evening May 20th.

Welcome to Wollongong!

Members news and events

Do you have news/special events/personal moments to share?

The Membership Team would like to run a newsletter with news of people, events, places and stories of interest.

Please advise Lyn of any special people or events in your life so that we may celebrate and acknowledge this moment in your life.

A **HUGE** THANK YOU

to everyone who helps put the risers up and down each week.

Your time and effort is very much appreciated.

Following business we will continue to allow the hospitality team to exit the Pacifica Room, and the Music Team to meet with Vicki. It is very much appreciated if everyone else can attend to the removal of the risers. If any member is not able to assist with the heavier task of raising the risers they could assist with removing left over property, pulling the pins out or holding the rails while the risers are raised.

There are jobs for everyone. Please own the riser you stand on!

Q. *How many Sweet Adelines does it take to change a light bulb?*
A. *Five. One to change the bulb and four to sing about how much they miss "that old light bulb of mine!"*
(It Actually takes seven. You forgot the 2 to plan the afterglow☺)

The next Management Team meeting will be held this Thursday June 18.
The suggestion Box can be found in the kitchen. Feel free to use this for any comments, advice or suggestions you may have for the MT or speak to a member of the Management Team..
