### **Chorus's letter of agreement to the Music Director**

The Management Team has reviewed the terms of the Director's contract and the chorus's letter of agreement to the MD. The members will vote to continue the Director's contract this week. (See attachment with SCB plus go to Groupanizer/documents/Constitution).

### **Please read the documents**

1. Chorus's letter/agreement to Musical Director
2. Director's letter to Chapter
3. Director/chorus agreement

Please sign the document which will be on the front table, which indicates you have read this agreement.

**This document is about us, the chorus members being on the same page, wanting to achieve the same goals and being united in the TEAM ethic. It's what we are part of. We respect the Music Director and all that she does and together we work towards our goals. Signing is a sign of good faith.**

### **New Members Drive commences** **Wednesday July 8 with a FREE OPEN NIGHT**

Our very excited Membership Team has been working very hard with PR to ensure we present a professional image and have a full and busy New Members Drive.

Thanks to Sharon and Kate for the great flyers to promote the event  
**They need all of us now to SELL, SELL, SELL!**

### **What to do???**

1. Walk those brochures around the community now.
2. Paste or stick them where ever you can (with permission) a.s.a.p.
3. Send them flying around the internet this week.
4. Tell everyone you know and then lots you don't as soon as you can!

### **Our chorus will remain viable with new members.**

- New members will ensure CKC will continue into the long and happy future.
- We will all benefit from new friends but especially the added rich sound more voices will bring and all that goes with it.
- Women out there need us! Evidence has proven singing is great for your health☺

After July 8, we will run a 6 week program at \$50 per person, to be paid from July 8 or by July 13.

### **Food for thought: It is vital we have a full and present chorus.**

- This means we need to be there every night to show prospective members what a fabulous award winning chorus we are.
- Vicki needs us all to be there to perform a show!
- We will not only show them how friendly we are and what a fabulous sound we have but they will learn chorus etiquette from us.
- It won't be hard for them to see our love and passion for our craft when they hear us sing
- Continuity of our presence will provide continuity each week as our visitors put names to faces
- **They are likely to stay for all the above reasons, and more!**

**Wear your medal with pride and don't forget your name badges please!**

### Blue Illusion Fund Raiser

Many thanks to our wonderful Fundraising Team who organised this fun and fabulous event at many stores across Sydney.

Thanks also to all the wonderful Blue Illusions sales team who supported us so well. It was a fun event at Castle Hill where even chorus members helped out to 'sell' the clothes to customers who walked in the door. After all – how could you resist when someone is already modelling the garment you think you want?

While the Erina store was a lot quieter, thanks must go to Karen Tucker who patiently waited and waited for some action until support arrived in the form of Lyn.

### **Don't forget our next event please!**

**MASTERS at Rouse Hill on Saturday July 4**

**(see Diary Dates and your roster please)**

### *Special message to CKC via Vicki,*

*Congratulations on your performance in Hobart - back into B+. You sang the songs you wanted to, the chorus were passionate, committed and showed their joy of performance.*

*PLUS an increase of 39 points.*

*Please pass on my congratulations to the chorus.*

*Yours in Harmony, Lindsey (Dyer)*

*(past CKC member/Assistant Director to Doris)*
