You are STARS!

Liz van Miltenburg. Liz has collated, carefully documented, presented and stored our dozens of beautiful photographic albums for so many years. These albums represent our history which we are so proud of. Take a break now Liz and thank you so much.

Rachel Moessis. Rachael has kept our records of music and resources and organised our library for many years. This collection of books, CDs and information is a valuable resource for CKC. We appreciate the time and care you have given the collection Rachael. Thank you very much.

The quiet ones: to all who have stepped down or aside in previous roles; THANK YOU! The time, effort and patience you put into many behind-the-scenes roles makes the wheels of CKC turn ever so smoothly. We really appreciate the time you gave.

The forward ones: to all who have come forward this year to take on a new role or share a place; THANK YOU! We really appreciate that you have taken on a new challenge and hope that you will find the time, place and people you get to know enhances your fun in CKC.

Our committees were re-arranged last week. There are still places for you to put your name on as an official helper but we know that when asked, you'll all be there on the day to do what it takes to make an event or occasion the best it can be.

Please advise the TC if you would like to add (or change) yourself on any of the committees. You will see where some could do with a few more numbers.

Before the sale starts we will need lots of helpers please!
