Circular Keys
chorus

Secret Chorus Business

Circular Keys Chorus are creative musicians who inspire with heart, soul and musical excellence.
We dare to be different!

Wow! What a retreat!

In her usual style, Mo wowed us from start to finish working her magic on Vicki and members who were only too willing to be cajoled, moulded and moved into shape. It was a weekend of excellence in learning for voice, sound, connectedness, movement and more!

It was a weekend of fun and frivolity too. We would not have wanted to miss the jokes and fun from Mo or on Saturday night the hilarious tags or the costumes designs.

It was a privilege to be able to participate in this very special retreat combining the wonderful teaching abilities of Mo and Vicki. We are so lucky to have Vicki all the time and the calibre of Mo occasionally.

Thank you so much Vicki for your vision in leading this retreat.

Many thanks also to Inese and her hospitality team for the great food we shared. Thanks to Inese and Cathy for all they do in preparing and presenting food/snack and drinks for Vicki and Mo.

Many thanks Cathy for your great warm-ups. It is always fun and a great starter to get the body moving.

So now what?

We must choose:

- We can choose what to do with the information and learning we have received from this weekend and every rehearsal.
- We can choose to act on it, every day.
- We can choose to take ourselves to the highest personal level possible.

Resignations

We regretfully accepted resignations recently from Ros Lumsdaine, Bev Hermens and Christine Kemp.

Between these ladies they have given years and hours of service in various chorus management and supportive positions as well as sections. They have sung at International level with us and Ros was one of our founding members.

Thank you ladies for all you have given to CKC and very best wishes for happy and healthy futures. We will certainly enjoy seeing you at any of our events.
