## **STAR OF THE WEEK**

Congratulations – Lissa Lao

Who is a Star! It may be that member you know who has gone above and beyond, who has personally helped you, who has made a special difference or contribution to the Chorus, who has tried extra hard. There are many other attributes you will think of which will be appropriate.

### **To nominate a member:**

Please email Jen Senior ([jasenior@hotmail.com](mailto:jasenior@hotmail.com)) with the member's name and short description as to why you would like to nominate that person.

## PHOTOBUCKET CUSTODIAN

Looking for someone to take over the role of looking after CKC's Photobucket.

As not all CKC members are on Facebook, this is a method of storing, archiving and sharing photos with all CKC members. It's also an invaluable tool for keeping a historical digital copy of our CKC photos in a central place.

This is a position that could be done in your own time with no pressure, but would suit someone with attention to detail. It would involve digitally filing photos within the online Photobucket system in a logical manner if they required accessing in the future. These photos may come from members, photo shoots or through the PR team. Please let Sharon Sullivan know if you are interested in doing this important role.

## AUSTRALIA DAY PERFORMANCE SONGS

For Australia Day, we will concentrate on the 4 songs we did last year:-

- I Am Australian
- Waltzing Matilda
- Shelter
- My Country

If you have started working on Under Southern Skies, can you please adjust your status to “learning” or “test ready” as this will give an indication of whether this song can be included. If you haven’t started, leave as that.

The other two that went up on the website – I Still Call Australia Home and I’m Australia, I know that some of us did “I Still Call” many years ago but will be new for most. Please adjust your status as appropriate on those.

At this point, unless I can see we have enough people comfortable with the newer songs, we will just leave it as the original four.

Vicki
