CONGRATULATIONS ENDEAVOUR HARMONY CHORUS!

How exciting it was to see our very own Barb and Di and all our EHC friends on stage in Las Vegas. What a fabulous show, and how proud are we of our Aussie sisters-in-harmony?

Don't forget to find them on Facebook and congratulate them and all the winners.

Many thanks to Heather and Steph who sent links to watch the show.

Sometimes, there are changes.....

If you have ever wondered about slight changes between sheet music and learning tracks it's because the Music Director (MD) has made an alteration (intentional or not) between the two. Don't worry:)

Chorus members rehearse their parts using the learning track (audio) and sheet music. Section Leaders (SL's) can check with the MD and report back to chorus members after any reported discrepancies have been changed or left as they are.

Our wonderful talented MD spends hours checking the music then often records all four parts before presenting it on Groupanizer.

Think of our music as a work of art; always able to be tweaked by the MD and never quite complete until all learnt and performance ready.
