Secret Chorus Business

We are in the
Pacifica Room and
risers must come
down

**Circular Keys Chorus are creative musicians who inspire with
heart, soul and musical excellence.
We dare to be different!**

Performance readiness

We worked hard and long getting ready for convention, now we must reset ourselves and do it all again for all the wonderful performances we have coming up to the end of the year.

If you are a part of the small chorus (day time performances) which Steph and Doris manage, please continue to rehearse music and attend rehearsals ready for the performances coming up.

All CKC members continue the same in preparation for designated weekend or evening performances. No matter when or where we sing we will
give the audience a performance to remember!

Some basic principles of musical performance:

PEOPLE WANT TO LEARN:

People want to be better than when they entered the show; they want to learn and want to share with others.

PEOPLE WANT TO LAUGH,
relax, relieve tension and be entertained.

PEOPLE WANT TO ESCAPE:
to another place and be inspired and uplifted.
(Pitch Pipe, July 2015)

Attention to the Directors and Section Leaders!

Whether we are at a daytime rehearsal or at St Josephs,
Our Directors and Section Leaders deserve our full attention and respect.

- No talking when they are talking
- Listen; no humming!
- Watch! Be fully engaged in the moment
- Be ready to perform (a rehearsal is a performance)

We are wasting their time if we do not remember these basic principles of chorus etiquette.
