 - Many opportunities have been given to members to aid in their preparation for contest.

- Evaluation of contest readiness will be through live participation in octets. Alison added that this is a normal method of evaluation for other choruses.
- Alison suggested that she could write a light hearted/serious blog for members to assist in their contest preparation.

- Up coming membership drives will revive some older repertoire Reach and Christmas music.
- Costumes Linda Bacic is making enquiries with a dance costume dress maker who could make costumes at \$30 for Wollongong.
- Judith B everyone is enjoying rehearsals but it would be helpful for the dynamic plan to be included on the sheet music on the website.
- Feedback re email received by Kate from Debra Griffiths of Endeavour Harmony Chorus many
 positive points regarding running of membership drives, auditions & probation. Debra also said that
 we could use their showmanship training DVD. Clear guidelines would be written for the
 expectations, culture & values of our chorus. Encouraging ladies to become members from the
 beginning would be advantageous. Residential areas such as Parramatta, Quaker's Hill, Stanhope, etc
 should be targeted in our next drives.
- The old amplifier can be discarded. The new small amp from Aldi has Bluetooth capability and can be used to play music through it to the chorus.

 introduce Sharon Sullivan to Bev for future PR opportunities.

- Ideas for new banners to promote our member drives will be passed on to Sharon. Vicki will pass on ideas from other sources. Sharon's husband is a marketing manager & may be able to assist in some way.
