

## **Team Coordinators report for AGM, April 27 2016**

Following a very successful and exciting Convention in Hobart our twentieth year has been full of growth, learning, fun and friendship and always wonderful singing.

While we are so grateful for the guidance, direction and teaching we receive from wonderful coaches, experts in their field, when they have gone it is to our Music Director Vicki and her assistants Steph and Diane we give our undivided thanks. Your direction, knowledge and expertise along with the Section Leaders, their assistants, and the visual/choreo teams is the reason we are here and keep coming back for more. It is thanks to these teams we have sung at events, large and small enjoying getting out and about in the community. We sincerely thank all of you

CKC could not survive without the commitment, enthusiasm and dedication of the various Committees, the back bone of the chorus. It is all these groups and their helpers behind the scenes who make CKC tick.

- Fundraising under the enthusiastic direction of Karen Totaro raised over \$10,000, a truly fabulous effort.
- Hospitality continued to provide wonderful meals and snacks for our visitors while organising rosters, set-up and pack away every rehearsal. Many thanks to Inese and Cathy for such a wonderful job.
- Many thanks to the Social Committee Elizabeth Przeklasa-Adamski, Yasi Wickremasinghe, and Marea Witt.
- The costume coordination team Karen Tucker, Linda Bacic and Vicki.
- The library/historian collection and collation by Cheryl Wolfenden.
- Thanks also go to photographer Heather Finch who also loads music to the website, and
- Maria Priestley for your time and attention to copyright requirements.
- Thank you Cathy Sugar for those wonderful thoughtful warm-ups every week.
- To all of you who have coordinated and contributed so much quietly behind the scenes we say a very big thank you.

My very sincere thanks must go to my colleagues on the Management Team.

Your support, encouragement, knowledge and understanding of all things CKC and Sweet Adelines has been immeasurable.

A very big thank you to you all:

- Barb Morris in your position of Secretary. Your knowledge of rules and regulations and your attention to detail has been a huge asset.
- Deborah Martin in your role of Finance Manager. Our books and finances are in great hands as you check the figures, present reports, and manage the money so efficiently. Many thanks also to Mary Owen and Cathy Bartley for their assistance to finances this past year.
- Lyn Howells in your role of Membership Chair. You have ensured CKC grows, remains the chorus women want to sing with and establishes and unites friendships.
- Sharon Sullivan as PR/Marketing chair. You have brought your expertise and knowledge of social media, publications and promotions on the website and in the community to the fore. Thank you to Kate Hawkins who has also so capably assisted Sharon.
- Elizabeth Przeklasa-Adamski for your work in Performance Coordination. Your work to ensure CKC is known in the community and obtaining sing-outs to ensure we are seen and heard in the community is very much appreciated.

Appointed positions on Management Team were filled by Karen Totaro, chair of Fund Raising, Diane Jenkins, who took on event coordination so efficiently, and Liz. Perry-Windhorst who so willingly shared knowledge and support.

To you all, the members. You keep the chorus together. Never underestimate your role in doing this. I have really appreciated your personal positive reinforcement. It is only through positivity, passion and respect for this chorus and its teams that we will remain the sought after chorus that we are now.

Our Education continues and will never be stagnant while we have such experts here in CKC and also at Region level. Our personal responsibility at all levels must remain uppermost in our sights as we strive for excellence in our singing. I am proud to belong to such a group as Circular Keys Chorus where I am surrounded by women who are thoughtful, caring, friendly, supportive and have a passion to sing. I look forward to the coming year where we will continue to grow.

Alison Anderson. Team Coordinator, 2015-16
